JOB DESCRIPTION

Inuuqatigiit Centre for Inuit Children, Youth & Families is a multi service non-profit organization serving Inuit children, youth, and their families, dedicated to providing cultural, educational, and support services in a caring, respectful, and collaborative environment that fosters strong and proud Inuit children and families.

POSITION SUMMARY

Under the supervision of the Manager of Community Initiative and Mental Health, the Youth Mental Health Systems Navigator provides screening, assessment, referrals and advocacy for families who have youth experiencing addictions and/or mental health challenges. The Youth Mental Health Systems Navigator helps families negotiate health and social systems, overcome barriers and ensure seamless transition from one service to another and continuity of care for each individual.

KEY DUTIES AND RESPONSIBILITIES

Client care including:

- Provide case management to youth and their families/caregivers in order to help them navigate and understand service systems and ensure that they are receiving services they need.
- Conduct screening and brief assessment in both individual and group formats using common tools and protocols.
- Working with clients, families and caregivers, create a navigation strategy that will lead to quality service, maximize collaboration, and streamline and integrate services.

- Make referrals to addictions services, mental health services, and other services as required.
- Coordinate referrals received for Inuuqatigiit's mental health team.
- Engage and coordinate with children/youth, families and professionals to implement the Indigenous Integrated Plan of Care (IPC) process as appropriate.
- Assist with preparing and submitting Child First Initiative applications
- Promote Inuit beliefs, values and traditions that enhance health.
- Engage in supportive counselling and support to children/youth require, using a balance of approaches to meet individual needs (e.g. activities, one-on-one referrals, home and school visits, crisis intervention, cultural and community connection);
- Work in collaboration with other professionals in addressing mental health issues for children/youth.
- Coordinate case management meetings, including minute taking and communications.
- Actively represent Inuuqatigiit at meetings, presentations, and conferences with stakeholders, including partner agencies
- Engage with various agencies and stakeholders to strengthen mental health programs and services.
- Establish relationships that benefit the delivery of mental health programs and services.
- Adhere to and promote the mandate and mission of Inuuqatigiit;

KNOWLEDGE AND SKILLS
